

Owner Acknowledgement of Intent to Use ICI

I have elected to use Innovative Construction Inspections, Inc. hereinafter referred to as “ICI” to provide building code plans review and/or inspection services. I understand that ICI will review the plans submitted and perform the required building inspections to determine compliance with the applicable codes. The local building official may also elect to review the plans submitted and perform an inspection where specified by law. The law requires minimum insurance for ICI, but I understand that I may require more insurance to protect my interests. By signing this form, I acknowledge that I have made inquiry regarding the competence of ICI and the level of their insurance and am satisfied that my interests are adequately protected. I agree to indemnify, defend, and hold harmless the local government, the local building official, and their building code enforcement personnel from all claims arising from my use of ICI to perform building code inspection services with respect to the building or structure that is the subject of the enclosed permit application.
